

ProTection Plan

Maximum uptime, minimum cost

Plan Details

Zero Downtime Hotswap

If your SprintRay product isn't functioning properly, we'll send you a replacement right away, free of charge. Once you receive it, send us back your malfunctioning unit.

First Repair Forgiveness

We get it - stuff happens. If your hardware needs a repair not covered by the limited warranty, we'll completely forgive the cost the first time and provide a discount thereafter.

Flexible and Transparent

Buy ProTection plan for your whole SprintRay ecosystem or just one product. With transparent repair costs and flexible plan options, there's lots to love about ProTection.
