- ProTection Plan is available for your whole SprintRay ecosystem or individual products.
- Don't miss out on savings. For newly purchased hardware, ProTection Plan is only available to buy during the 30 days after purchasing.
- If your SprintRay product isn't functioning correctly, we'll send you a replacement immediately, free of charge. Once you receive it, send us back your malfunctioning unit.
- ProTection Plan will cover the cost of your first claim and provide a discount for each repair after that.
